Primary reason for joining? _____

I hereby apply for membership in the International Warehouse Logistics Association. I approve and agree to the purpose of the organization and the By-laws, which govern its affairs. I certify that I am an officer of the above company; that all the information reported in this application is accurate; that all space, both public and contract, has been reported and will be operated in the most ethical manner. I understand that if false, misleading information has been reported that my application may be denied. Furthermore, I certify that our company subscribes to the following International Warehouse Logistics Association Statement of Principles to which every member of the International Warehouse Logistics Association subscribes:

- Our company recognizes that the business of warehouse logistics and its services, which is entrusted with the property of others, demands a high sense of responsibility and ethical conduct to meet the needs of its customers and the public.
- Our company recognizes the legal responsibilities imposed upon it as a warehouse logistics provider and will care for the merchandise in its custody in the manner that a reasonable, careful individual would exercise under similar circumstance.
