

ANNOUNCES THE PURCHASE OF TRANS-HOLD, INC.

CHARLESTON, South Carolina, October 2014 – Premier Logistics Solutions and Trans-Hold, Inc. announced that it has entered into an agreement with Trans-Hold, Inc. under which Premier will acquire Trans-Hold, a warehousing logistics company. The acquisition became effective on October 17, 2014 at close of business.

The purchase of Trans-Hold demonstrates Premier's continuing commitment to strengthen the company and grow the business, enhancing warehousing capacity and service capabilities.

Premier is confident that our similar business models will allow for a smooth and seamless integration. We look forward to welcoming Trans-Hold employees to Premier.

This transaction will immediately position Premier as the leading third party logistics provider in the booming Charleston, South Carolina market. The combination will provide an expanded capacity of services for Premier's and Trans-Hold's existing customers while maintaining the company focus on exceptional customer service.

About Trans-Hold

Trans-Hold, Inc. is a general cargo warehouse established in 1992 with 315,000 square feet of inside storage and 35,000 square feet of covered outside storage. The Customs Bonded, FDA/USDA approved facility was built in 2006 on 28 acres in Goose Creek, South Carolina and is located near the Port of Charleston terminals. Trans-Hold was a wholly-owned subsidiary of Stevedoring Services of America (SSA), a Carrix Company.
