

# 2021 Pledge Contribution to the IWLA

## California Indirect Source Rule Warehouse Tax Challenge

Please help us by pledging your support for the ISR Coalition today!

We ask that you promptly return this information with your pledge amount and your credit card information/check so that we may process your initial payment. Any future payment will be processed as warranted depending on the duration of the lawsuit. The ISR Steering Committee appreciates your feedback and involvement— and we are always available to field any questions you may have. Additionally, please let us know if you would like to take a more active role in the lawsuit. We thank you in advance for your help in reaching our goals and we look forward to working to defeat this unfair and myopic rule.
